THE CLAY CITY MARKET DAY

Saturday a Busy One

Saturday was one of the busiest market days experienced since they were launched last February. More than one hundred head of cattle were on the market and they sold readily and well. Among the cattle sales we caught the following:

O. E. Tutt 46 head of mixed cattle to Henry Wiseman and L. S. Hamilton at 4 1/2 cents.

Shelt McKinney to Joe Elkin 24 cattle one and two years old at 1 to 5 1/2 cents.

Edwin and W. C. Rose to Geo. B. Williams 24 one and two year old steers at from 4 1/2 to 5 1/2 cents.

A number of horses changed hands at the prevailing low prices.

A number of mule colts were on hand, but few sellers were willing to take the low prices offered, \$30 and \$35 each.

All the watermelons on the market were sold.

The merchants, garages, bank and newspaper report a good day for business.

Stock pens are badly needed to properly promote the stock sales, as persons having only a few head of hogs or cattle do not care to hold them on the streets to wait for buyers. This accommodation should be supplied at once by persons interested in the success of market day.

The usual large crowd was present.

Wright Gets Contract

Charlie Wright was given contract by the County Board of Education for the building of the two room school house at Vaughn's Mill at \$1122, this being the lowest bid offered. The building is to be completed by Oct. 15th. Charlie can do the work and will do it on time.

Stanton Garage Sells Another Dodge

The Stanton Garage Saturday sold another one of their splendid Dodge touring cars to G. B. Stamper, attorney of Campton. Messrs. Proffitt and McAnallen are hustlers in their line, and are making automobilizing in the eastern portion of the county a success.

We are compelled to omit some valuable correspondence this week for lack of space. It will be published next week however.

Notice to Taxpayers

I, or one of my deputies will be at the office of the Tax Commissioner in Stanton, Ky., from this date to receive their list of property as required by law. Please call and attend to this.

Coin Bowen,
Powell County Tax Com'r.

Entertainment

Tuesday night, Sept. 26th, will be held at the Waltersville school house a first-class moral entertainment. Admission, 5 and 10c. 10 per cent goes to benefit of the school. Come one and all and see these strictly moral scenes.

Bayless King.

Returning to One Room Schools

Fayette county has fully tried out the consolidated school theory, and found itself in debt more than \$100,000 after the trial. It has quit the transportation business and contrives to return to the walk-to-school plan and one-room schools. It seems that every move to improve the schools since the editor was a boy, has been backwards. At least the schools of today are not as efficient as they were thirty years ago, when an ordinary child did learn more in the then five months term, than they do now in the much longer terms.

Baptist Meeting

The Rev. W. S. Shearer, of Fayette county, is conducting a series of Baptist meetings at the old Presbyterian church in this city. Good crowds are attending and a growing interest seems to be manifest in the evangelist's splendid sermons.

Exchange in Ministers

The Rev. Joe Adams, who has been engaged in a series of meetings at Vaughn's Mill Christian Church, was taken very ill Wednesday and returned to his home in Fayette county. The Rev. Joe Barnes is filling his place and the meeting will continue over Sunday.

Here from Detroit

George Smith, of Detroit, Mich., has arrived here in his handsome new Studebaker to visit his parents, Mr. and Mrs. J. F. Smith. Young Mr. Smith is connected with a detective force in Detroit, and like most all Powell county boys, is doing well in his adopted home.

Returns from Visit

Mrs. Mary Wilson is at home now after a pleasant six weeks visit with her sister, Mrs. Anna Fowler, of Portsmouth, Ohio. While there she visited relatives in Virginia, Ohio and Michigan. They made the trip by auto and enjoyed seeing the country.

Overlands Down in Price

The excellent Overland automobile has been reduced in price from \$550 to \$525 f. o. b. Toledo. This makes this machine as low in price as any fully equipped automobile on the market.

Meat Market

I get a regular supply of fresh meats each Wednesday. My headquarters are at Robbins' store and I will make every reasonable effort to supply you with quality meats at a fair price. I am a home man, you need no introduction to me. O. B. Mackey.

Used Cars for Sale

We have two Ford tourings, one Ford roadster and one Dodge touring car for sale. All second hand and in good condition. These cars are priced to go. Come in and look them over if you need a second hand car. If not we sell new ones.

CLAY CITY GARAGE.

From New Jersey

Mr. and Mrs. Clint Henry and two children, of Newark, N. J., and Mr. Henry's sister, of Richmond, were here Saturday to see old acquaintances and friends. Mr. Henry left Clay City fifteen years ago and enlisted in the U. S. Navy. Mr. Henry is now holding a position with the City Fire Department of Newark. He came through in a new Superior Chevrolet, which machine he likes very much.

Sells Another Overland

The Clay City Garage this week has sold to L. B. Rose one of their splendid Baby Overlands. Mr. Bashaw expects to get three more of these quick sellers Oct. 1st, when he will be ready to fit you out in the machine that surpasses all light machines for easy riding and economical operation. Mr. Bashaw also reports the sale of a new Ford touring car to Tuck Bush.

Makes Trip to Dayton

Mr. and Mrs. James Bloom and children, Louise and James, went to Dayton, O., to consult a specialist for Mr. Bloom who isn't doing so well, but when they got there found that the Doctor had gone to Europe. They then came back home and Mr. and Mrs. Bloom went to see his Doctor in Louisville.

It's a Son

Mr. and Mrs. Karl McKnight, of Stanton, announce the arrival of a 10 pound baby boy Sunday evening at the Bush Hospital in Winchester. Mrs. McKnight was formerly Miss Alice Creed.

Mr. and Mrs. Ben Noe, of Alpine, Ind., are here visiting relatives. Mr. Noe says the crops in his state are short on account of the very dry weather early in the season.

Have you seen the display of Cole's Master Malleable Ranges in V. T. Chapman's store?

Mothers' Club

We extend our thanks to all who so freely donated toward the supper Saturday. It was very encouraging to see such a large crowd and are sorry we could not serve and do them all justice or carry out our program. But if all will kindly come back to our next supper we will promise you that we will have plenty to eat, more room and better lights, so we will prepare for a large crowd. We cleared \$41.52 and hope to double the amount next time. We have now a good school with four good teachers and hope to be able to have a full nine months' school. To have that the people of Clay City must help by these suppers to put our schools in a sanitary condition. To have the proper seats according to the children's age is very essential for their growth and health, as most of their time during school months, is spent at their desks. —Contributed.

SLADE.

(Crowded out last week.)

Mr. and Mrs. Cassius M. Bowen announce the arrival of a youngster at their home at Whitesburg, the 21st day of August, and come to stay, doesn't matter whether the strike is ended or not, he intends to be a regular boarder. May he bring them much joy and happiness.

Squire Ed Proffitt held a court of inquiry here last Saturday (also tried and disposed of some cases) and gave the boys and law breakers some good advice, telling them where their disobedience and drinking would land them, also advised them that such must stop, that he was going to enforce the law, and it is hoped the warning will have proper effect and attention. Mr. Proffitt questioned them very closely about the shooting and drinking at Naña and has promised the law-abiding element that he is going to do his duty and we are looking forward to this promise: it is better to jail or fine a few than to bury some of them and send some to the penitentiary. But the best remedy is to remove the cause of all this trouble which is no secret, but it is a well-known fact that it is whiskey and the bootleggers. If Squire Proffitt makes his words good we will see a marked improvement in this end of the county, but the law-abiding element has to help Mr. Proffitt. He can't hold court by himself and we wish to congratulate him on his effort here Saturday.

Nervous Break-Down

MRS. ANNIE LANGE, of R. F. D. 1, Burlington, Tex., writes as follows regarding her experience with Cardui: "Some time ago I had a nervous breakdown of some kind. I was very weak and so nervous. I had fainting spells and suffered a great deal, but more from the weak, trembly, no-account feeling than anything else. I knew I needed a tonic, and needed it badly. I began the use of Cardui to see if I couldn't get some strength, as I knew of other cases that had been helped by its

use. I soon saw a great improvement, so I kept it up. I used seven bottles of Cardui, and can say the money was well spent, for I grew well and strong. Am now able to do all my housework and a great deal of work besides."

If you are weak, run-down, nervous and suffer from the ailments peculiar to women, it is very likely that Cardui will help you, in the way it helped Mrs. Lange and has helped thousands of others, during the past 40 years. Ask for, and insist on, Cardui.

For your protection

Every sack of genuine White Plume Flour bears the words "White Plume" and "guaranteed to please or money refunded" printed on the front. Look for these marks when you order White Plume Flour.

White Plume Flour, because of its high quality, bears an enviable reputation for goodness.

Don't permit anyone to substitute by telling you that a certain flour is "Plume" or by intimating that it is "White Plume." Judge Evans in Federal Court decided that the brand "White Plume" is our exclusive property.

Ask for White Plume, the highest quality white superfine flour, and see that you get it.
